Children's Ascertainment.....	<b>SECTION V</b>

WTVE-TV 51 performed the following non-broadcast public service efforts between January 1, 1993 and March 18, 1993:

4901 Pottsville Pike  
Reading, Pennsylvania 19605

The purpose of these lectures is to inform students about the opportunities that exist in broadcasting upon graduation. Dan took various pieces of equipment as a means of illustrating some of the production positions open in the field.

The coordinator for the Learning for Life Program is Deborah Sauers, Career Awareness Consultant.

701 Centre Avenue  
Reading, Pennsylvania 19601

2/19/93 Ms. Bennecoff called the station back to inform Kim that she had found a spokesperson within her organization, Goldie Simon, President of the Lupus Foundation in Philadelphia, to do a segment on the disease. Ms. Simon has agreed to come to WTVE's studio sometime in May. The purpose of the segment will be to explain what Lupus is and what steps are being taken to combat the disease.

## SWITCHBACK GRAVITY RAILROAD FOUNDATION

WTVF produced a 20-minute video for the non-profit organization in 1991-1992 at cost. Dan had been honored by the group for his efforts, garnering a commemorative plaque for the station.

In December of 1992, it was decided that Fred Windbeck, the Foundation's President, would come into the studio to deliver an update. The program was built into a half-hour program.

Subsequently, Ray Mulligan, a member of the Switchback Board of Directors, came to WTVF for the purpose of obtaining dubs of the program to take to other area television stations and cable companies. Dan supplied Mr. Mulligan with two broadcast-quality 3/4-inch dubs of the program at cost.

UNITED WAY OF BERKS COUNTY  
P.O. Box 302  
501 Washington Street  
Reading, Pennsylvania 19603

3/1/93 Dan Bendetti, Kim Bradley and Bobbi Nye, WTVF Production Assistant, met with three representatives of the local United Way Chapter to discuss the organization's involvement in the three-minute "News to You" segments which WTVF airs.

Those in attendance were very excited about entering into an ongoing relationship with the station. Present were Monica A. Ruano-Wenrich, Director of Volunteer Activities, Sue M. Pernice, Communications Coordinator and Susan A. Karapcik, Director of Marketing and Communications.

Following the meeting, they forwarded a list of topics they wanted to discuss in the segments (please see Exhibit "A").

A partial list of topics include:

- \*Wiley House for homeless children
- \*American Cancer Society
- \*American Red Cross
- \*Association for Retarded Citizens
- \*Berks County Mental Health Agency
- \*Berks County Deaf and Hard-of-Hearing Services

Since National Volunteer Week is coming in April, they want to use this topic to kick off the series.

On Tuesday, March 22nd, a number of members from the local United Way were in the studio to tape the first segments. These will be edited and aired in the immediate future on the station.

**TROUT UNLIMITED**  
P.O. Box 91  
Shillington, Pennsylvania 19607

Jan., Feb., 1993

Dan Bendetti continued his ongoing assistance to Trout Unlimited, the non-profit group founded to promote awareness of cold-water natural resources. Working with Scott Winkleman, Director of Communications of the organization, Dan advised placement of P.S.A.'s on other area broadcast stations and cable systems and suggested ways to localize the spots for each of the particular markets.

**HEALTHTEC PROFESSIONAL AMBULANCE SERVICES**  
638 Walnut Street  
Reading, Pennsylvania 19601

1/18/93 Dan Bendetti met with Jim Conrad, Regional Customer Service Manager for Healthtec Professional Ambulance Services to discuss production of a 30-second P.S.A. pertaining to emergency 911 phone calls. WTVE is awaiting Mr. Conrad's final approval before proceeding.

#### **TEEN PROGRAMMING PLANS**

WTVE realizes the need to involve high school students in one form of show segment or another on a weekly basis. Dan Bendetti had met with representatives of three area high schools in Fourth Quarter of 1993. Two of the schools had expressed interest and said that they would get back. But now the station is into the First Quarter of 1993, and still without the foundation for anything ongoing.

It was decided, therefore, to enlist the services of Bobbi Nye, Production Assistant, as a contact person. She is still involved with her high school, Oley Valley High School (Bertolet Mill Road, Oley, Pennsylvania 19547), as a member of the alum band. For a copy of the proposal sent to the Principal of Oley Valley High, Jeff Zackon, please see Exhibit "B".

3/11/93 Bobbi delivered the proposal and received favorable response. It is understood that the school will choose its hosts and research topics. WTVE intends to start taping these segments as soon as the first series of United Way tapings has concluded.

## **MARCH OF DIMES BIRTH DEFECTS FOUNDATION**

421 Penn Avenue

West Reading, Pennsylvania 19611

- 1/26/93 Dan Bendetti and Kim Bradley met with Linda Whitman, Executive Director of the March of Dimes' WalkAmerica for healthier babies. Dan and Kim proposed doing a series of three-minute segments focusing on work of the March of Dimes. It was decided that Doug Smith, the spokesperson for the local chapter, would come into the studio to tape a segment about the upcoming WalkAmerica.

Mr. Smith taped the segment, which gave information about where the funds go and who benefits. He talked about the upcoming walk and urged everyone to participate.

The March of Dimes has agreed to taping other topics in the future.

## **SCHUYLKILL VALLEY COMMUNITY LIBRARY**

School Side Plaza

Leesport, Pennsylvania 19533

- 2/24/93 Dan Bendetti met with Dave Kennedy, coordinator of the St. Patrick's Day Road Race. The race, part-bicycle and part-foot race, was going to raise funds to benefit the Schuylkill Valley Community Library and other charities.

In the pre-production meeting, it was agreed that WTVE would tape the event, donating time and equipment. Mr. Kennedy was invited into the studio to tape a three-minute segment about the upcoming event.

All plans got shelved, however, when the blizzard came on the 13th. The race was not rescheduled.

## **GODDARD SCHOOL OF LEARNING**

25 Commerce Drive

Reading, Pennsylvania 19610

- 3/17/93 Dan Bendetti met with Grace Davies and Hilda Letman in the WTVE studios. Ms. Davies and Ms. Letman are co-owners of the Goddard School of Learning, which caters to infants through 12-year-olds. They are the first minority owners of a day-care facility in Berks County.

Ms. Davies and Ms. Letman (who is the President of the Reading Chapter of the NAACP), came to the studio on 2/18/92 to tape the three-minute segment that focused on their learning center. The segment became more elaborate than originally envisioned, with WTVE taking cameras to their facility to tape a class in-progress.

The purpose of their visit on March 17th was to pick up a tape of all the raw footage that was shot at the day care center. They are very interested in appearing on a future "News to You" three-minute public affairs segment.

**BERKS COUNTY ASSESSMENT BOARD**

33 North 6th Street  
Reading, Pennsylvania 19601

Berks is in the process of undergoing a county-wide assessment. There are a lot of questions in the community from homeowners about the assessment process and what guidelines are being used for valuation of property.

Mr. Reshlich suggested that the station contact Jim Rose at the Cole-Langer-Trumble Company.

EXHIBIT A

**1993 National Volunteer Week  
April 18-24**

Year after year, volunteers provide essential services to those in need of assistance. Agencies and organizations around the nation are preparing to celebrate the 18th National Volunteer Week, April 18-24, to salute the more than 94.2 million people who do everything from mentoring teens to working with the hungry and homeless.

The Points of Light Foundation sponsors National Volunteer Week to honor those who reach out to others and to call attention to the need for more community services from individuals, groups, corporations, and families. "Volunteer, A Chance to Change Tomorrow" is this year's theme, emphasizing that volunteers have the power to move mountains in their community. For truly, volunteers are changing the tomorrows of hundreds of thousands of people every day across America.

Locally, the Volunteer Center of Reading and Berks County views the month of April as an excellent time to honor community volunteers, emphasize the need for additional volunteers, and highlight services provided by the Center.

The primary function of the Volunteer Center of Reading and Berks County, a division of United Way of Berks County, is to develop and implement programs to expand volunteerism, to effectively utilize volunteers to support community human service needs, and to recognize the efforts of all community volunteers.

The Volunteer Center is dedicated to meeting the volunteer needs of Berks County organizations who call on the Center to provide them with dependable and committed volunteers. In 1992, 2360 volunteer referrals were made to community service organizations throughout Berks County, including both United Way of Berks County affiliate agencies as well as non-affiliate agencies.

The Volunteer Center of Reading and Berks County offers more than just referrals. The Center provides training and technical assistance for agencies to establish mutually rewarding relationships with volunteers. Additionally, a lending library of resources including videos and books on volunteerism is maintained.

The Volunteer Center advocates for volunteerism in our community and sponsors several annual volunteer-driven programs. The Center also administers Business Volunteering for Berks (BVB), a local Corporate Volunteer Council. BVB is a coalition of companies committed to meeting community needs through volunteerism.
